

MINERAL KING DISTRICT ASSOCIATION

July 20, 1992

Dear Association Board Member:

This note is to remind you of our upcoming meetings on August 1st at Mineral King. In the newsletter of May, the starting time of the Board meeting was set at 10 AM at cabin #7 in West Mineral King. The start time has been moved up to 9:30 AM. The West Mineral King Water Association's meeting will not be held until after the potluck luncheon. This will allow our Board a little more time to conduct business. Please make every effort to attend the meeting.

The general meeting will commence at 11 AM sharp and conclude at 12:30 PM. Please advise friends and family to come to the meeting a little early so that every one can visit and we can start the meeting at 11:00.

Enclosed is the proposed meeting agenda. If there is something else that should be covered, please make a note of it and advise me of it at the Board meeting. The agenda is only an outline and can be changed. Also, I am enclosing a copy of an article that was sent to me by one of our members with the suggestion that it be distributed to the general members in advance of our upcoming meeting. I do not think that is a good idea and will explain later. Please review the article and we will discuss it at our meeting.

Hope to see you soon,

TO : Permittees of Record in Cabin Cove and East and West Mineral King

FOR : DISCUSSION ONLY

A Proposal : That Congress Delete 24 Words of Existing Law*

Relating to the Mineral King Valley; amending 16 USC S 45 f (d) (2) (B), as follows:

In the case of a lease or permit which is continued under subparagraph (A), upon notice to the Secretary by the lessee or permittee of his intention to seek renewal or extension of such lease or permit, the lease or permit shall be reviewed by the Secretary, and may be renewed or extended for an additional period of five years. Any such lease or permit shall be reviewed at the end of such renewal or extension period and may also be renewed or extended in the same manner for additional five year periods thereafter. Any renewals or extensions of leases or permits shall ~~[be granted only to those persons who were lessees or permittees of record on November 10, 1978, and any such lease or permit shall]~~ provide that the lease or permit may be terminated by the Secretary at any time if the Secretary determines that such lease or permit is incompatible with the administration of the park pursuant to this section or that the land is needed for park purposes.

* The paragraph above is taken from the Public Law which currently relates to Mineral King. If this proposed amendment to that law were introduced to the Congress and became new law, the words which have lines drawn through them would be deleted. All other language in the paragraph would be retained, but present lessees could transfer ownership of their leases. The Park Service would retain all other present authority.

As yet, there is no plan to introduce this proposed amendment. However, permittees are invited to express their opinion or support for it. Please write: Ruth Shepherd, 1765 East 26th, Eugene, OR 97403 (503) 343-7888. (Our family, Alltuckers of all ages, has used our cabin in east Mineral King each summer since 1917.)
